

### Nightstand with Pull Out Shelf

- Unique Formica covered pull out shelf where you can put your glass of water within easy reach.
- The Formica lets you wipe water stains clean. With a plain wood shelf it could leave a permanent stain.
- Just give the shelf a small push and WOW, out pops your shelf on a steel slide.
- Available on all nightstands except the Palm Valley which has the hidden drawer on top.

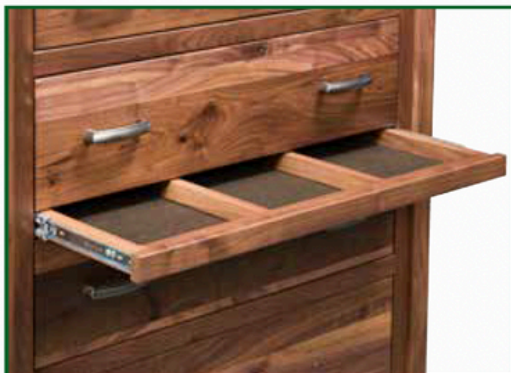

### Nightstand with Sliding Top

- Top slide forward to reveal a unique fabric lined tray where you can store hidden items for quick retrieval.
- Available on all nightstands except the Palm Valley which has the hidden drawer on top.

### Nightstand with Opening

- Leave out drawer to have quick access to your favorite books, etc., without pulling out drawer.
- Available on all nightstands.

### Chest with Hidden Jewelry Drawer

- Unique push release slide.
- Available on all groups with face frames.
